RE:

Oklahoma Clean Community

#### **MEMORANDUM**

The City of Yukon has been accepted and will be recognized on June 27 at 9:15 am in the Council Chambers of the Centennial Building as an Oklahoma Clean Community by the Oklahoma Department of Environmental Quality (ODEQ). This recognition is a new program through the Oklahoma Used Tire Recycling Program. The Department of Environmental Quality recently partnered with Keep Oklahoma Beautiful (KOB) and much of the criteria involve KOB service projects.

Our Sanitation, Stormwater, and Parks & Recreation Departments host several events and service projects throughout the year, giving citizens opportunities to be good environmental stewards. Citizens are encouraged to clean, beautify, prevent, recycle and reuse by participating in such events as

- Big Trash/Recycle Day
- Rain Barrel Project
- Big Event
- Patriot Project
- Ride Your Bike to Work Day.

Additionally, they are encouraged to utilize the services of the Transfer Station and Recycle Center.
